Please note:

- Names highlighted in blue represent male students, and those in pink represent female students.
- We do not provide full names for children under the age of 18 years until sponsorship has been confirmed, and you receive your sponsored child's profile.
- Where a child's name is solely initials and is highlighted, this is due to the child experiencing more complex safeguarding concerns. For these children, you would receive reduced information and correspondence – however, you would be sponsoring a particularly vulnerable child.
- Male students, older children and vocational students are less likely to find sponsors. Please kindly consider the children and young people in these categories.
